Program partners include: Entomology & Pathology Graduate Student Association, Sanborn Entomology Club, Center for Sovereign Nations, College of Agricultural Sciences and Natural Resources Student Council, and Minorities in Agriculture, Natural Resources and Related Sciences.

Science Café OSU highlights interesting, relevant and current science research. Monthly events offer lively and engaging conversations about science, and feature informal presentations, refreshments, door prizes and Q&A. No science background is assumed or required. Events are free and open to the public. For Information: 405.744.2376.
