Edmon Low Library

Peggy V. Helmerich Browsing Room

Stop by the Edmon Low Creative Studios for a closer look at the stars! Telescopes are available for check out.

Science Café at OSU is a monthly event that highlights interesting, relevant and current science-related research. The events are an opportunity to participate in lively and engaging conversations about science. Science Café features a brief presentation followed by discussion and questions. This event is free and open to the public. No science background is assumed or required. For more information: 405.744.2376

Program partners include OSU Astronomy Club and the OSU Society of Physics Students.
