OSU Student Organizations and Science Café Program Partners:

American Institute of Chemical Engineers
American Soc. of Agricultural & Biological Engineers
American Society of Civil Engineers
Association of Women in Geosciences
Biosystems & Agricultural Engineers GSA
CEAT Student Council
Chemical Engineering GSA
Engineers Without Borders
Environmental Science Club

National Society of Black Engineers
OKState Net Impact
SGA Sustainability
SACNAS
Society of Environmental Scientists
Society of Women Engineers
Student Organization for International Agriculture
Sustainability, Energy and Resources Collaborative

Science Café OSU highlights interesting, relevant and current science research. Monthly events offer lively and engaging conversations about science, and feature informal presentations, refreshments, door prizes and Q&A. No science background is assumed or required. Events are free and open to the public. For Information: 405.744.2376.
