

SCIENCE CAFÉ

sciencecafeosu.okstate.edu at OSU presents

Plastic Pollution in the Environment

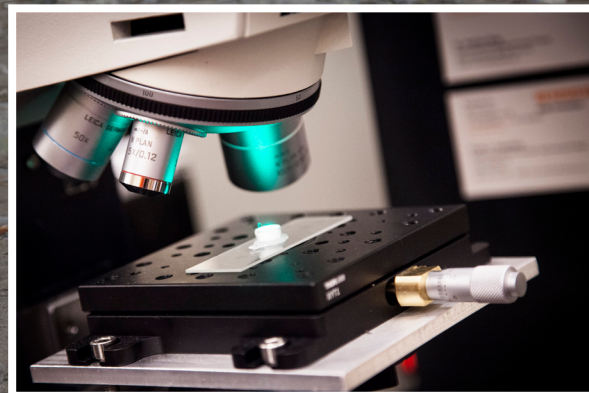

featuring

Dr. Kaan Kalkan

Associate Professor in Mechanical and
Aerospace Engineering

This Science Café will focus on Dr.
Kalkan's research of plastic decomposition
in the environment.

National Earth Day is April 22, and the
theme this year is "End Plastic Pollution."

Tuesday, April 17 at 6:30 p.m.

Peggy V. Helmerich Browsing Room, Edmon Low Library

Program Partners include American Indian Science and Engineering Society (AISES); American Society of Manufacturing Engineers Technology; American Society of Mechanical Engineers; College of Engineering, Architecture & Technology Student Council; Net Impact OSU; OSU Sierra Club; Society for Environmental Scientists Grad Student Organization; and Tau Beta Pi Honor Society.

Science Café OSU highlights interesting, relevant and current science research. Monthly events offer lively and engaging conversations about science, and feature informal presentations, refreshments, door prizes and Q&A. No science background is assumed or required. Events are free and open to the public. For Information: 405.744.2376.
